It appears that they need to pay some bills. The site is asking for donations at the email address donations@hungercity.org.

I sent a small donation through PayPal, and it seemed to go through just fine. For those who use their site, maybe consider helping them out. It would be a shame to lose that resource.

I don't mind sending a large donation, but I'm little worried about getting it back if they can't come up with the rest. There seems to be no way to write Shareef.

i paid a chunk myself last night, close to the amount required, but not enough, hopefully others can donate a little as well to get it going again, but i think the financial issue overthere is a permanent one. 72 hours haven't expired yet.

OK..money is sent. Shareef should be very, very close to having enough money to keep HC running for at least another month. Would hate to see that place shutdown.

it will probably take some time to upload everything to the server again provided he still got all the files etc.

there's now a new note at HC:

AS MENTIONED MANY TIMES BEFORE, IF DONATIONS (WHICH PAYS FOR THE SERVER COSTS ETC) ARE NOT PAID IN FULL EACH MONTH, THE SERVER WILL BE TURNED OFF UNTIL PAYMENT HAS BEEN MET.
THE CHOICE IS NOW YOURS. IF YOU THINK, HUNGERCITY SHOULD NOT DIE SUCH A SAD DEATH, PLEASE DONATE AS MUCH AS POSSIBLE, AS SOON AS POSSIBLE!
AS THE DONATION PAGE CANNOT BE ACCESSED, PLEASE SEND ALL DONATIONS TO :
donations@hungercity.org
HUNGERCITY WILL BE UP AND RUNNING WITHIN THE NEXT FEW DAYS
PEACE & LOVE TO ALL!
